WORK EXPERIENCE

Second Chance Tucson | Independent Contractor Community Engagement, Digital Comms,

Fundraising & Grants

OCT 2024 - PRESENT

- Co-organize SCT's reentry events (Community Reentry Forum, job & resource fairs, rallies), including outreach, speaker recruitment, agenda development, day-of logistics, and post-event follow-up. Organized Rally 4 Reentry collaboration with local community to elevate lived-experience leadership and cross-sector projects.
- Conduct outreach to individuals and groups at community forums, job/resource fairs, and partner events through tabling, presentations, and one-on-one conversations.
- Coordinate with community partners, build relationships with justice-impacted community members, nonprofits, government partners, and employers to strengthen a local "second chance" ecosystem. Aligned outreach to reduce duplication and close resource gaps across support services.
- Launched SCT's first Summer internship program (3 University of Arizona students): created structure, mentorship, deliverables, and evaluation.
- Built audience workflows and donor-facing messaging for community-centric fundraising; contributed narrative/strategy for grants and theory-of-change materials.
- Redesigned SCT's Wix site and integrated engagement tools, improving navigation to resources, events, and newsletter sign-ups.
- Produced cohesive brand assets (logos, flyers, videos, social graphics) and unified cross-channel comms (Facebook, LinkedIn, Instagram, YouTube) with Mailchimp + Linktree.

Inside Out Network (ION) | Arizona Program Manager

JAN 2021 – JUL 2024 (INTERN MAY-DEC 2020)

- Led statewide expansion of ION in Arizona; coordinated with AZ Dept. of Corrections (ADCRR) to integrate platform access pre- and post-release.
- Conducted outreach and one-on-one meetings in prison facilities and community settings, explaining ION’s services, expectations, and timelines to prospective participants and partners.
- Designed and delivered presentations/trainings for incarcerated people, correctional staff, community members, and providers on navigating ION and locating reentry resources.
- Maintained and improved a statewide reentry resource database and built referral channels with employers, schools, reentry programs, and community organizations to streamline navigation and continuity of care for justice-impacted individuals.
- Oversaw data quality and reporting; analyzed usage/impact metrics to inform improvements and stakeholder updates.
- Recruited/trained volunteers and interns; developed materials that improved staff and participant understanding of services and processes.

Follett Corporation - Pima Community College East Bookstore | Team Lead of Course Materials

2012-2019

- Operational Management: Managed store operations including inventory analysis, vendor relations, customer service, and staff training. Improved operational efficiency and accuracy.
- Communication: Acted as key holder and manager, improving inventory management through data analysis and effective communication with staff and vendors.
- Graphic Design and Communication: Created marketing signage and set up merchandise & seasonal displays, enhancing visual communication with customers.
- Coordination and Communication: Coordinated with faculty and staff for marketing bookstore events and promotions, including maintaining a Facebook account to engage the campus community.
